LIFE 15 IPE IT 013

Air quality strategy

New National
initiatives
together with
other Ministries

D.M. 337 - 5th of December 2018

Establishment of a working group composed by Representatives of 4 Ministries

Aim of the group:

1. Elaborate proposals to strengthen national efforts to improve air quality starting from regional proposals
2. Organize and participate to the Clean air dialogue

Air quality strategy

Clean air dialogue

Costa Minister in November sent the letter of formal acceptance of Italy to the Clean Air Dialogue process

The dialogue was held at the beginning of June in Turin

Air quality protocol

During the dialogue a air quality protocol agreement was signed between the Presidency of the Council and some ministries containing commitments aimed at adopting regulatory measures and not, for the improvement of air quality

LIFE 15 IPE IT 013

Air quality protocol

A “Coordination” for monitoring the implementation of the protocol was set up at the Presidency of the council

LIFE 15 IPE IT 013

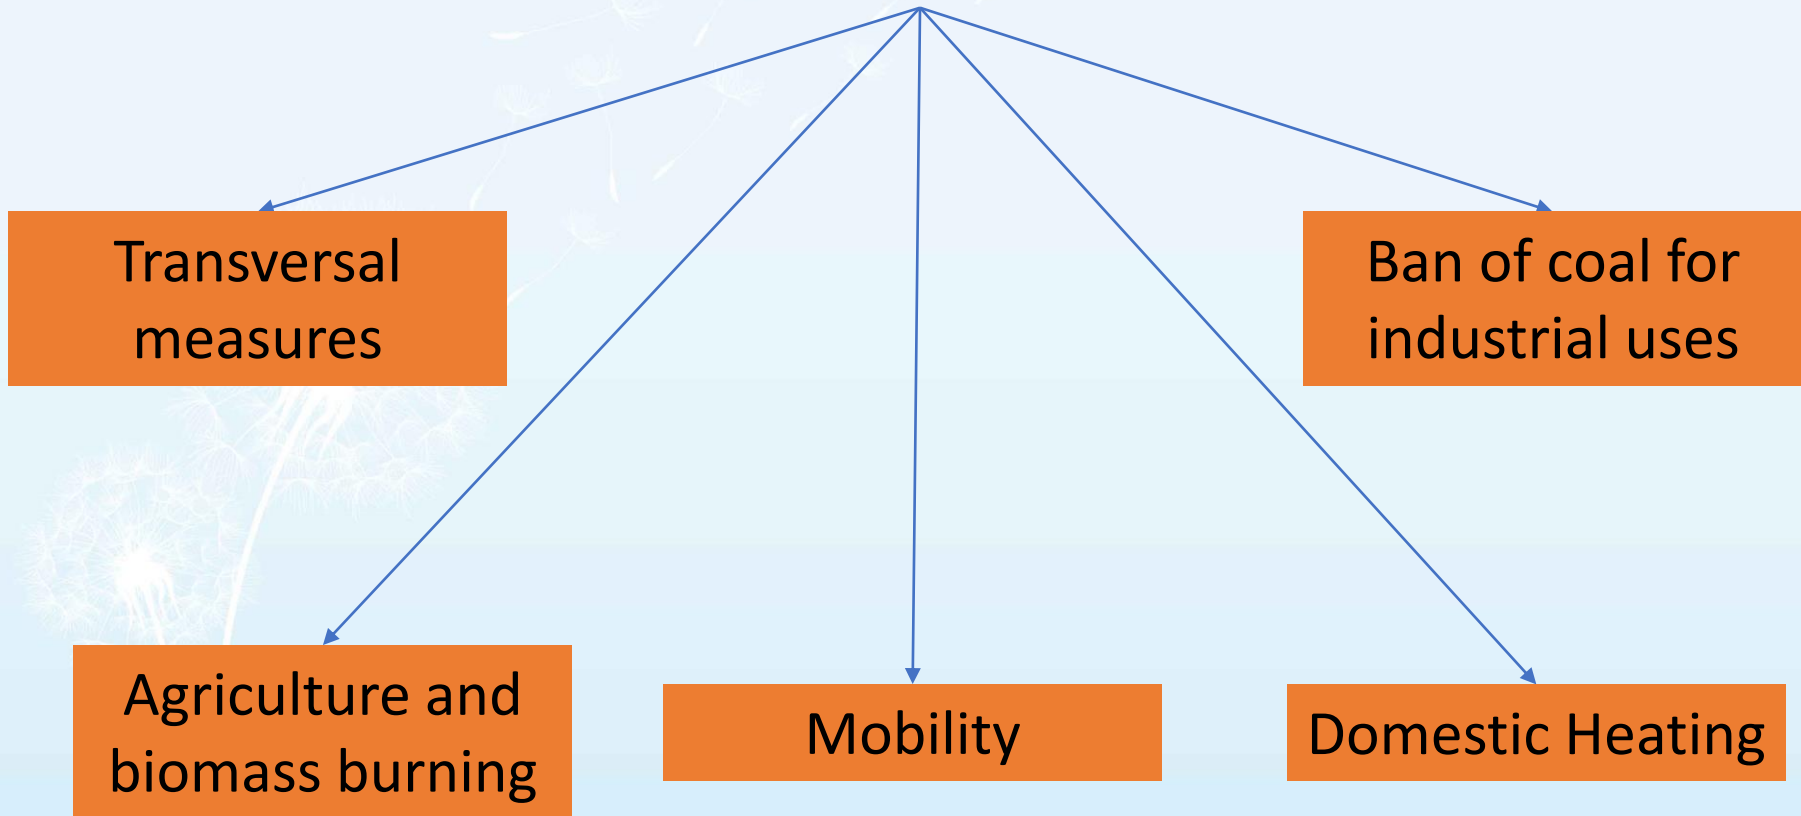

Air quality protocol

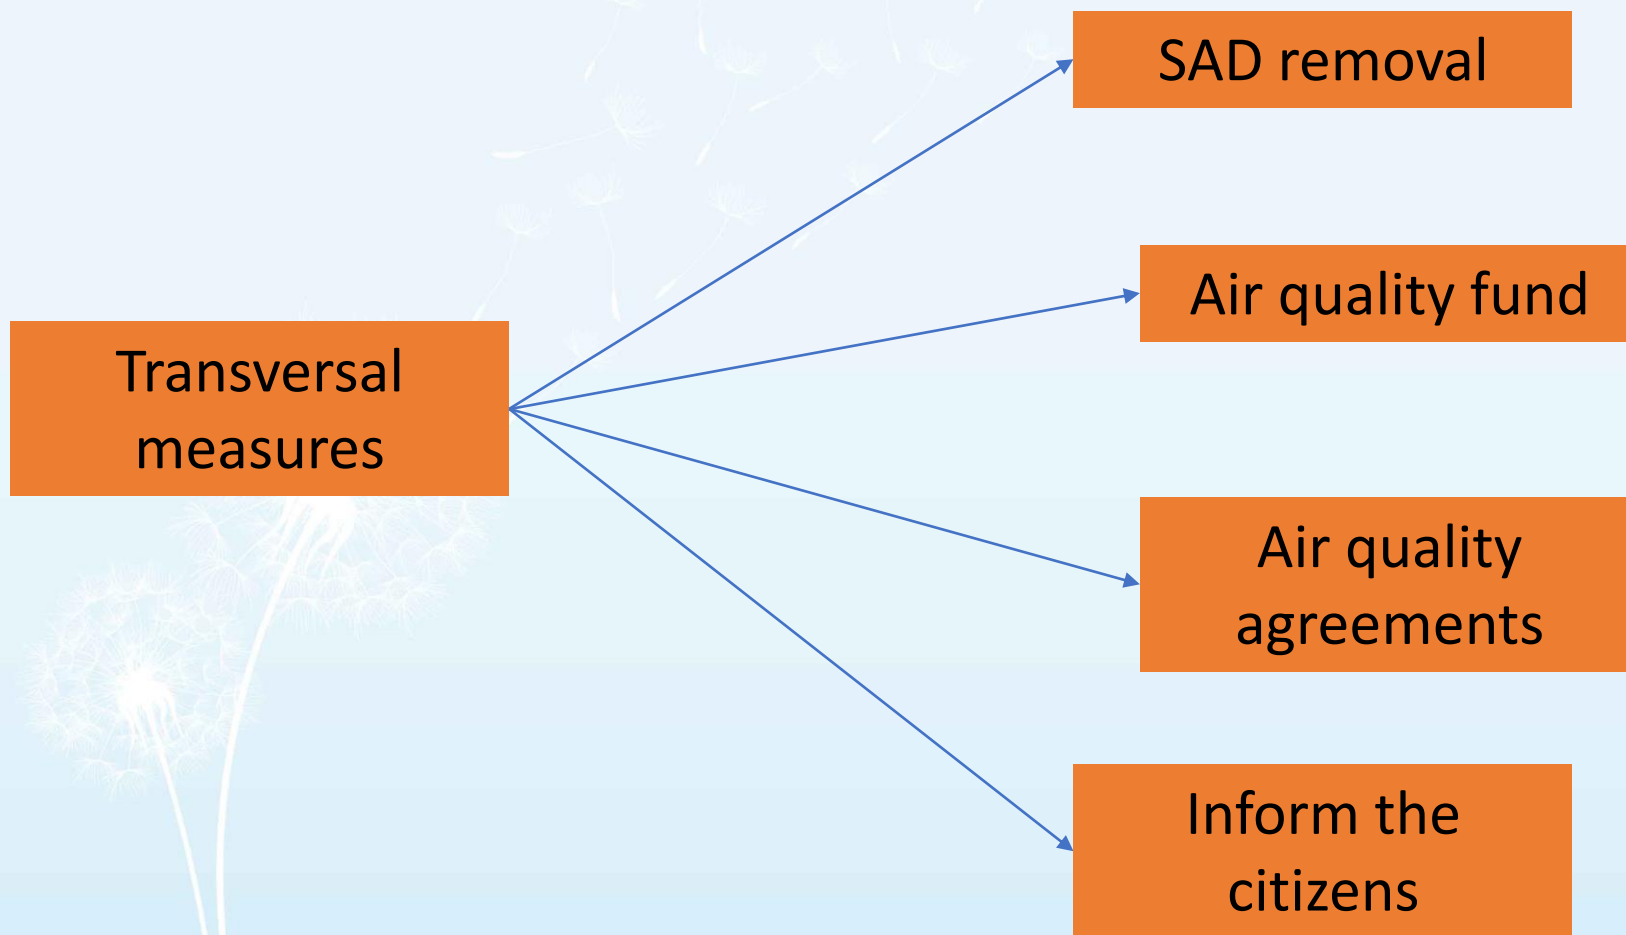

The protocol provides for the implementation of a plan of measures divided into 5 areas of intervention

Air quality protocol
