

# LIFE-IP PREPAIR Po Regions Engaged to Policies of Air

## Transport Pillar – main results

Milena Orso Giacone

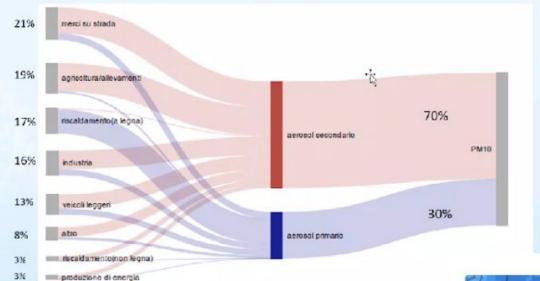

Regione Piemonte Environmental Energy and Land Department Emissions and Environmental Risks Unit

## **Transport and Air Quality**

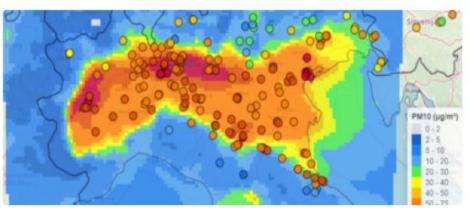

**Transport ->** very significant contribution to local air pollution in Po Valley area. It is the main source of NOx and the 2nd for fine dust.

PREPAIR Budget for Transport actions 3.293.121,00 EUR

PM10: Ripartizione per fonti

## **Transport ACTIONS**

#### **Solutions**

ACTION C9.4 Bike-station and improving of bike infrastructure

ACTION C10 – Demonstrative action on conversion of propulsion system from diesel to electric ACTION C11 – Rationalization of short-range freight logistics in urban/peri-urban ACTION C13.2 – Stakeholder consultation concerning electric mobility issues ACTION C14 – Training on Eco-driving

**Services** 

ACTION C9.5 -Geotracking of bike lines and bike navigator ACTION C12 - Development of ICT tools for public transport users

**Data collection** 

ACTION C9.3 Survey on bike infrastructures availability in railway station

ACTION C11 – Rationalization of short-range freight logistics in urban/peri-urban

sustainable mobility

ACTION C12 – Development of ICT tools for public transport users

ACTION C13.3 Study on electric mobility implementation area to define an electro-mobility strategy at level of PO Valley

**Technical competence** 

ACTION C.9.1 Training of public officers and advisors
ACTION C13 – Course to mobility manager on

Awareness ACTION C9.2 Traini

**ACTION C9.2 Training in schools and for citizens** 

ACTION E2 – Video on mobility

**ACTION E4 – Electric mobility** 

ACTION E5 -Air quality in school

### **Awareness**

Training at school > 150 sessions/year

Evento organizzato da

ClickutilityTeam

**Promoting sustainable mobility** 

AREA ESPOSITIVA

- > 20 events
- > 6000 citizens involved

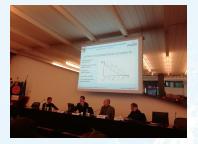

**Training of public** officers and advisors

18 editions > 900 people involved

All results on PREPAIR website https://www.lifeprepair.eu/

## **Transport preconditions in PO Basin**

#### PO Valley policy

- TRAFFIC policy
- Call for contributions to different SHs
- updating the PO Valley agreement

#### Regional policy

- Air quality plans
- Mobility plans (PRMT, cycling mobility, ...)
- Staff organizational plan (Smart working)

#### City policy

- Mobility plans (PUMS, PULS, cycling mobility, ...)
- Staff organizational plan (Smart working)

Significant role in transport policy implementation

### **Complementary funds**

- State funds
- EU project funds
- Regional resources
